

For Hire

We welcome everyone to all our popular social & cultural events, as well as our bar & restaurant. Anyone can become a member in our fun-loving and welcoming community.

Polish Club General W. Sikorski apart from the normal social, cultural, entertainment and promotional work for the community also supports charitable causes and does fundraising functions.

Sikorski Club also carries numerous activities to ensure self-sufficiency. One of the ways is to hire out Club's facilities to the public at affordable rates.

Our efforts at sustainability not only benefit the Club but also the community at large; we are not-for-profit organisation run by volunteers, so all the money we raise goes back to the community!
